

Tournament golf IS expensive! We are proud to be the ONLY Junior Tour in Florida that gives deserving young golfers Annual Scholarship Awards to play **FREE** tournament golf all year long. This annual fundraiser at Harbor Hills helps us to keep this unique tradition of giving back to the most deserving kids and the sport we all love.

Tour FUNdraiser @ Harbor Hills – Sat. Dec. 30th – Shotgun start @ 8am.

Open to Harbor Hills members, e-mail club members, non-members, and parents!

Why help and support us? The tour was formed by Keith and Fiona McColl to provide regular “Family-Affordable” opportunities, for juniors to develop and play ranked tournaments at venues across our community. In **2023** we played **42** total days of tournament golf at **16** great venues, including Harbor Hills, and we welcomed more than **1300** total player entries from boys and girls aged from **8 to 17**. In **2022** at this fundraiser, we raised enough to offer **8** deserving junior golfers an annual tour scholarship that allowed them to play all **42** days **FREE!**

Sign up now as an Individual player or why not get a team together, at least 1 player MUST be a junior golfer, and help us to make 2024 even more special for our junior golfers!
